Unlimited Track Time

Corporate Members will be able to access the track on all days in which Autobahn Country Club is open to its members. Autobahn Country Club will generally be open to its members on all days except Mondays. 20 minute sessions will run throughout each day. Run groups will be determined as needed by the track manager.

Family Members

The Corporate Membership includes each primary driver's immediate family, meaning each of their spouses and dependent children. There will be a charge for guests other than immediate family.

Transfer of Membership

A Corporate Membership (and the right to name four primary drivers) may be transferred (subject to Autobahn approval) to a new corporate member with the transferring company retaining 30% of the proceeds.

Guest Driving Passes

A corporate membership entitles the company to receive 24 daily guest driving passes each year for no additional charge. Each pass allows members' guests access to Autobahn's track. Additional guest driving passes are available to guests for a fee. There will be limits as to the number of sessions a particular guest may drive.

Guest Driving Privileges

All guests will be allowed to drive during touring sessions (with or without a guest driving pass). All other guests driving will require a guest driving pass. Touring sessions are controlled speed lapping and include a pace car. These sessions allow your guests to safely experience the track. Guests who have achieved a proficient driving status, as determined by the track manager, may hot lap. Members achieving a proficient driving status, as determined by the track manager, may have passengers at any time subject to passenger age limits.

Specific Membership Rights and Obligations

Each of the undersigneds agree to pay the Initiation Fee set forth above, and Annual Dues at the then applicable amount. Each of the undersigneds agree that the Member Manual contains a full description of the member's rights and obligations with respect to membership in the Autobahn Country Club, including, but not limited to, dues and other charges, termination and suspension of membership and transferability of membership, and that the provisions of the Member Manual control.

Assumption of Risk, Release & Indemnity

With respect to the use of the facilities at the Autobahn Country Club and entering into any of Autobahn Country Club's RESTRICTED AREAS (defined as any area requiring special authorization, credentials, or permission to enter or any area to which admission by the general public is restricted or prohibited), EACH OF THE UNDERSIGNED, for himself, and next of kin, and on behalf of his spouse, children, guests or relatives attending Autobahn Country Club, unconditionally agrees to execute the STANDARD FORM OF RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT (or similar agreement), at such times and as is required by Autobahn Country Club's liability insurance, and with regard to any minor child entering into such RESTRICTED AREAS, unconditionally agrees to execute a PARENTAL CONSENT, RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT (or similar agreement), as well as having the minor execute a MINOR'S ASSUMPTION OF RISK AND RELEASE AND WAIVER OF LIABILITY (or similar agreement), at such times and as is required by Autobahn Country Club's liability insurance.

Medical Examination

Although the Autobahn Country Club facilities, equipment, services and programs are designed to provide a safe environment for the enjoyment of track driving, the activities involved with track driving are very dangerous and there is an inherent risk that the use of such facilities, equipment, services and programs may result in injury or even death. All members are strongly encouraged to have a complete physical examination by a medical doctor prior to driving at the Autobahn Country Club; and a physical examination is required for any member engaging in any racing activities.
